Organizational Information: The Diaper Bank of Minnesota is a 501(c)3 organization located in the metro Twin Cities area. The Diaper Bank of MN is a member of the National Diaper Bank Network, which raises awareness of diaper need across the country. The Diaper Bank of Minnesota has three primary goals at the Diaper Bank of MN: 1) Providing diapers to families in need; 2) Increasing awareness about diaper need in Minnesota; and 3) Advocating for changes to improve conditions for the many babies who need diapers.

We work with partner agencies who distribute diapers directly to families in need. These agencies provide many services for families – we provide diapers so that they can focus on providing services rather than collecting diapers.
